

# Modular Flower 2

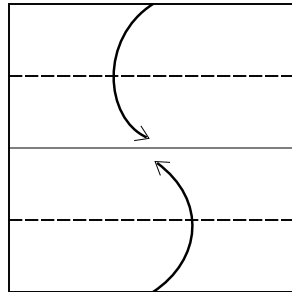

Using 6 inch (15cm) squares will result in a 6 inch Flower.

1.

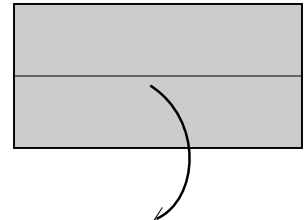

Begin white side up.  
Valley fold and unfold in half.

2.

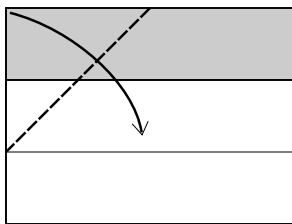

Valley fold the top and bottom edges to the existing center crease.

3.

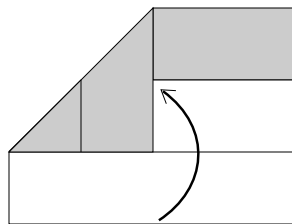

Unfold the bottom half.

4.

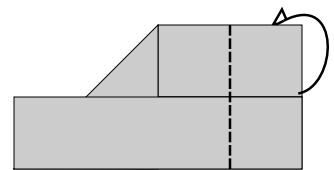

Valley fold the top left corner down to the bottom crease.

5.

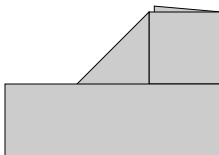

Valley fold the bottom up on the existing crease.

6.

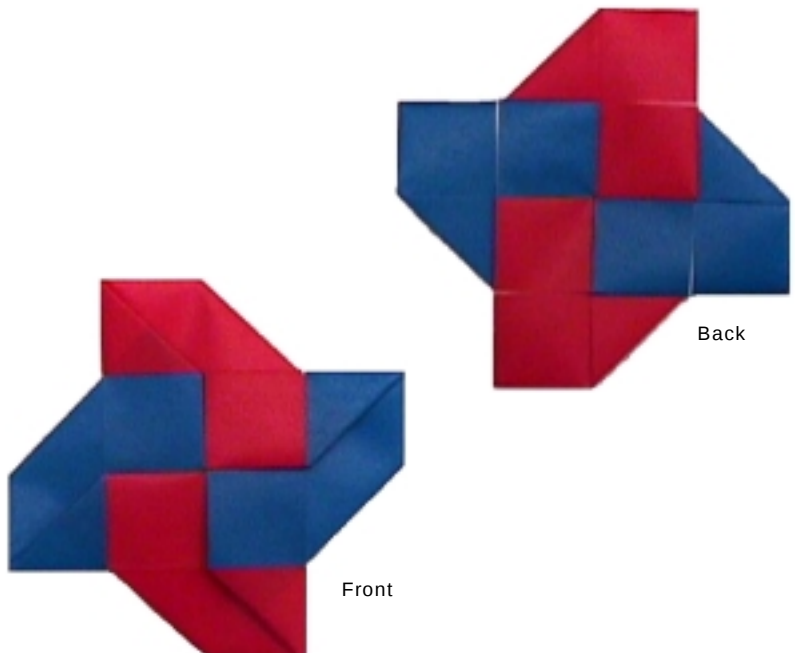

Mountain fold the right side in half.

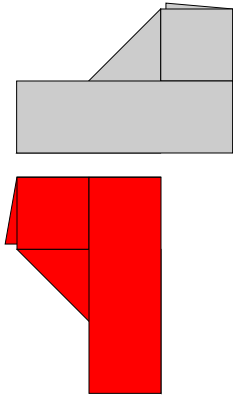

The completed unit!!

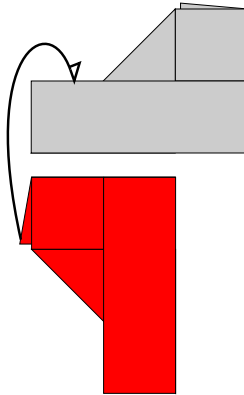

Fold 3 more units.  
See p. 2 for assembly instructions.

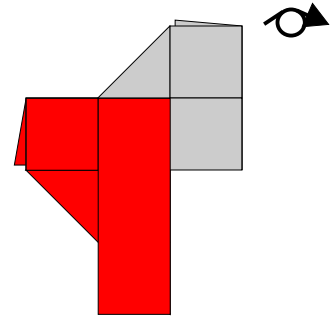

1. Position two units as shown.

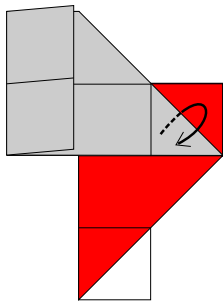

2. Put the red flap over the gray layer.

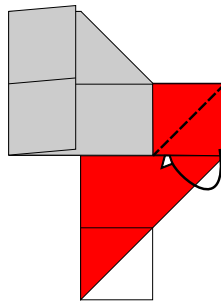

3. Turn the units over from left to right.

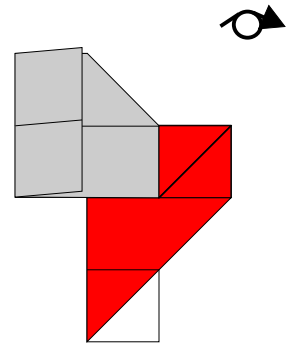

4. Pull out the red paper.  
(This step can be omitted, if you want a different color pattern.)

5. Mountain fold both the red and the gray layers. This will lock the units together.

6. Turn the units over from left to right.

7. Add the two remaining units in the same manner.
