8.

Valley fold the white triangles down and tuck under the layers.

9.

Mountain fold the unit in half.

The completed unit!!
You will need 18 units.

See p.2 for assembly instructions.

How to Connect Ring 1 units

1. Align two units as shown below.

2. Insert one tab of the gray unit into the pocket on each side of the purple unit.

Use paper with different colors
or patterns in the corners
make the inner triangles stand out.

3. Two connected units.
Keep adding units to the right unit in the same manner.
